

Creative Process Seminar

This seminar is about discovering your optimum creative model for manifesting your ideas from daydream to reality. This group setting allows you to understand the commonalities of obstacles we all face in our personal and professional life.

You will learn practical tools for these common blocks, such as procrastination and habitual daydreaming, that can undermine your confidence and competence. You will also learn how to alter limiting patterns by letting go of regret, unfounded fears, and resistance.

You will be able to:

- Define you individual process
- Visualize clear goals
- Get started today

You will also learn about the power of:

- Fundamentals & Consistency
- Inspiration & Perseverance
- Desire & Willingness
- Change & Opportunity

This is a "must do" seminar for discovering what works through newfound insight and first-hand experience.

Options: Brown Bag (2 hours) and Full Day (6 hours). Seminars can also be customized. Email Rose at rmTaylor@creativeresolutionstoday.com for more information or to book a seminar for your business or group.

Based on Rose Taylor's book *Jump Start Your Creative Process - A Practical Guide*
